RESOLUTION 2016-10

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE ANTHEM PARK COMMUNITY DEVELOPMENT DISTRICT, CONFIRMING AND ADOPTING A FINAL ASSESSMENT ALLOCATION REPORT; ADOPTING AND CONFIRMING AN ASSESSMENT ROLL; RATIFYING THE ACTIONS OF THE CHAIRMAN AND STAFF RELATED TO THE REFUNDING OF THE DISTRICT'S SERIES 2004 BONDS; PROVIDING FOR THE RECORDING OF A NOTICE OF SERIES 2016 SPECIAL ASSESSMENTS; PROVIDING FOR CONFLICTS, SEVERABILITY AND AN EFFECTIVE DATE

WHEREAS, the Anthem Park Community Development District (“District”), previously determined it was in the best interests of the District and the landowners of the District to pay and defease the Series 2004 Bonds initially issues in the aggregate principal amount of \$14,700,000 (herein, the “Prior Bonds”), with the issuance by the District of its Anthem Park Community Development District Senior Special Assessment Revenue Refunding Bonds, Series 2016A-1 in the initial aggregate principal amount of \$8,045,000 and its Anthem Park Community Development District Subordinate Special Assessment Revenue Refunding Bonds Series 2016A-2 in the initial aggregate principal amount of \$970,000 (herein, the “Bonds”), and by application of certain available moneys under the Master Trust Indenture, as supplemented (the “Refunding”); and

WHEREAS, THE District’s Board of Supervisors (the “Board”), previously adopted, after notice and public hearing, Resolution 2005-06 for the purpose of equalizing, approving, confirming and levying special assessments to secure the Prior Bonds; and

WHEREAS, also pursuant to and consistent with the terms of this Resolution and Resolution 2005-06 and the Board vote on May 12, 2016 (the “May 12, 2016 Board vote”) whereby the Board authorized and directed the preparation of a Final Assessment Allocation Report for Special Assessment Revenue Refunding Bonds, Series 2016A, attached hereto as Exhibit A (“Series 2016A Report”), which Series 2016A Report is hereby approved by the Board; and

WHEREAS, pursuant to and consistent with the terms of this Resolution, Resolution 2005-06 and the May 12, 2016 Board vote, and on account of the debt service savings realized from the issuance of the Bonds and the refunding of the Prior Bonds that effectively reduced the debt assessments due on the Bonds, included within Exhibit A is the Series 2016A Assessment Lien Roll (“Series 2016A Roll”), which Series 2016A Roll reflects the final amount of reduced debt assessments and is hereby approved by the Board; and

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE ANTHEM PARK COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS”

SECTION 1. AUTHORITY FOR THIS RESOLUTION. This Resolution is adopted pursuant to the provisions of Florida law, including Chapters 170,190, and 197, Florida Statutes, and Resolutions 2005-06 and the May 12, 2016 Board vote.

SECTION 2. FINDINGS. The Board of Supervisors of the Anthem Park Community Development, District finds and determines as follows:

- (a) The Series 2016A Report, dated August 2, 2016, attached to this Resolution as Exhibit A, applies the adopted Supplemental Report for the Anthem Park Community Development District dated December 10, 2014, to the District’s Project, as defined in Resolutions 2005-06 and May 12, 2016 Board vote.
- (b) The Series 2016 Roll, included within **Exhibit A**, is hereby approved, adopted and confirmed.
- (c) All actions previously taken by or on behalf of the District in connection with the issuance of the Bonds are hereby authorized, ratified and confirmed.

SECTION 3. OTHER PROVISIONS REMAIN IN EFFECT. This Resolution is intended to supplement Resolution 2005-06 and the May 12, 2016 Board vote which remain in full force and effect. This Resolution and Resolution 2005-06 and the May 12, 2016 Board vote shall be construed to the maximum extent possible to give full force and effect to the provisions of each resolution and authorization. All District resolutions or parts thereof in actual conflict with this Resolution are, to the extent of such conflict, superseded and repealed.

SECTION 4. ASSESSMENT NOTICE. The Districts Secretary is hereby directed to record a Notice of Series 2016A Special Assessments securing the Bonds in the Official Records of Lake County, Florida, or such other instrument evidencing the actions taken by the District.

SECTION 5. SEVERABILITY. If any section or part of a section of this Resolution is declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

SECTION 6. EFFECTIVE DATE. This Resolution shall become effective upon its adoption.

PASSED by the Board of Supervisors of the Anthem Community Development District,
this ___ day of August, 2016.

Introduction

This Supplemental Special Assessment Methodology Report will describe and explain the special assessments (the “Series 2016 Assessments”) levied in connection with the Anthem Park Community Development District (the “District”) \$9,015,000 Special Assessment Revenue Refunding Bonds, Series 2016 A-1 and Series 2016 A-2 (the “Series 2016 Bonds”). The Series 2016 Bonds are being issued for the primary purpose of refunding the District’s outstanding Capital Improvement Revenue Bonds, Series 2004 (the “Series 2004 Bonds”).

Refunding Program

The Board of Supervisors of the District has determined that it would be in the best economic interest of landowners within the District to currently refinance the Series 2004 Bonds at a lower interest rate (the “Refunding”). The proceeds of the Series 2016 Bonds will be used to provide funds to (i) refund the Series 2004 Bonds, (ii) fund debt service reserve accounts for the Series 2016 Bonds, and (iii) pay the costs of issuance of the Series 2016 Bonds. This report supplements and is consistent with the District’s Final Supplemental Special Assessment Methodology Report dated December 10, 2004 (the “Original Methodology Report”), adopted in conjunction with the issuance of the District’s Series 2004 Bonds, and with the District assessment collection practices.

District Information

The District is located entirely within the jurisdictional boundaries of the City of St. Cloud (the “City”) and within the master planned mixed-use community known as Anthem Park. The District is an independent unit of special single-purpose local government of the State of Florida, created and established in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), by an ordinance of the City on June 24, 2004. The District encompasses approximately 211 acres. Within the District is a residential community known as Anthem Park (the “Development”). The Development is planned for approximately 919 residential units, consisting of various product types.

The Project and Series 2004 Bonds

To advance the development of the properties within the District, certain capital improvements were planned, as more fully described in the Engineer’s Report, issued December 10, 2004. This public infrastructure necessary to serve the Development, included, without limitation, infrastructure mass grading, roads, utilities, drainage, amenities and landscaping, right-of-way, storm water management, and parks (the “Project”). The total cost of the Project was estimated to be approximately \$38.4 million.

Series 2004 Bonds

In December 2004, the District issued its \$14,700,000 Capital Improvement Revenue Bonds, Series 2004, to fund approximately \$11.5 million of the total Project costs. The Bonds were issued pursuant to the Act and a Master Trust Indenture, dated as of December 1, 2004 (the “Master Indenture”) as supplemented by a First Supplemental Trust Indenture dated as of December 1, 2004 (the “Supplemental Indenture” collectively with the Master Indenture the “Indenture”), by and between the District and the Trustee. The Series 2004 Bonds bear interest at the fixed rate of 5.80%, and are currently outstanding in the principal amount of \$8,680,000. The District levied special assessments (the “Series 2004

Assessments”) pursuant to the Original Methodology Report on all lots to repay the Series 2004 Bonds, including interest, and collected the assessments pursuant to its annual budget adoption cycle

Prior Delinquencies

The economic downturn experienced in the United States, including the downturn in the Florida residential homebuilding industry, made the further development of certain portions of the lands owned by the original developer impractical. In 2012, the original developer, the District and the Trustee under the Indenture reached a mutual agreement whereby the developer agreed to transfer certain lands to a special purposes entity controlled by the Trustee and bondholders, and to undertake other obligations, in exchange for a general release of certain obligations to the District (the “Settlement”). As a result of the agreement, the Trustee was instructed by bondholders to effectively extinguish \$3.205 million principal amount of Series 2004 Bonds originally secured by the Series 2004 Assessment levied on the developer’s land. Accordingly, the District has resolved the delinquent special assessment issue and expects that revenue collected will be adequate to cover debt service in future fiscal years.

Series 2016 Assessable Units

The Series 2016 Assessments will be levied on the same benefited and assessable residential units within the District currently encumbered by the Series 2004 Assessments (the “Series 2016 Assessable Units”), less units that repaid their assessment obligation earlier. The Series 2016 Assessable Units include 631 residential units, excluding 33 individual lots that have prepaid their Series 2004 Assessment in full and Tract M and Tract G within Phase 3A from which the Series 2004 Assessment lien was released as part of the Settlement. The following table illustrates the Series 2016 Assessable Units.

Refer to the Appendix, Preliminary Assessment Roll, for a more detailed description of the Series 2016 Assessable Units.

Allocation of Benefits and Assessments

Assessment Standard

Under Florida law, a valid special assessment that is made pursuant to District legislative authority requires that the property assessed must (1) derive a direct and special benefit from the improvement

¹ Unit count reflects full prepayment of Series 2004 Assessments by certain lots and a land plan revision and release of assessment lien due to the economic downturn.

or service provided and (2) that the assessment must be fairly and reasonably apportioned among properties that receive the special benefits. See Sections 170.01 – 170.02 of Florida Statutes.

Although the general public outside the District benefits from the Project, such benefits are incidental. The facilities in the Project meet the needs of the Development within the District, as well as provide benefit to all residential property within the District. The property owners within the District are therefore receiving special benefits not received by those outside the boundaries of the District, and direct and cumulative benefits accrue mainly to residents.

Section 170.02, Florida Statutes states “Special assessments against property deemed to be benefited by local improvements, as provided for in sec. 170.01, shall be assessed upon the property specially benefited by the improvement in proportion to the benefits to be derived therefrom, said special benefits to be determined and prorated according to the foot frontage of the respective properties specially benefited by said improvement, or by such other method as the governing body of the municipality may prescribe.” An Equivalent Residential Unit (“ERU”) benefit and assessment allocation approach is a generally recognized and commonly approved method of proportionally spreading assessments over benefited properties for special assessments levied by community development districts.

Assessment Methodology

The Original Methodology Report described the ERU based allocation of benefits and corresponding assessments for the residential units within the District receiving special benefits from the Project. The District’s Board of Supervisors previously reviewed and approved the ERU analysis, Series 2004 Assessments and the issuance of the Series 2004 Bonds in adopted resolutions and related bond documents. In the present instance, the District will apply the same ERU benefit and assessment allocation described in the Original Methodology Report to the new Series 2016 Bonds.

The District uses an ERU based assessment in which the ERUs for residential property are assigned based on the expected average benefit that a dwelling unit/lot receives from the public improvements funded with the Series 2004 Bonds. An assessment methodology based on ERUs provides a way to quantify the benefit different land use types receive from public improvements. In this case, the base unit used is single-family 50’ lot, which has been assigned an ERU value of 1.0. A fair and reasonable assignment of benefit has been derived for all other residential use categories based on their relative density as compared to the single-family 50’ lot product. Refer to the Original Methodology Report for more detail.

The Series 2016 Assessments will be levied on the same benefited parcels currently encumbered by the Series 2004 Assessments. These properties comprise a total of 631.30 assigned ERUs as set forth in the following table.

Table 2 - ERU Allocation

Product Type	Total Assessable Units	Assigned ERU ²	Total ERU assigned to Assessable Units	% ERU

Single Family 80'	46	1.6	73.60	11.8%
Total	627		626.10	100.0%

Refunding Program

The Series 2004 Bonds are currently outstanding in the principal amount of \$8,680,000. In order to take advantage of current market conditions, the District intends to refund and redeem all of the outstanding Series 2004 Bonds with proceeds of the Series 2016 Bonds and certain other available funds. The Series 2016 Bonds will be issued in the principal amount of not to exceed \$9,005,000, which includes the requirement to fund two debt service reserve accounts. In order to fund this reserve and pay closing costs associated with the refinancing, the principal amount of the debt assessment on the assessable units will increase as a result of the refinancing.

The annual debt service assessments, which are included on the annual real estate tax bill under non-ad valorem assessments, pay principal and interest for the corresponding principal debt assessment. The estimated maximum annual debt service (MADS) and gross annual debt service requirement is presented in Table 3.

Table 3 - Series 2016 Bonds Annual Debt Service Requirement

Estimated Annual Expenditures	Amount
Maximum Annual Debt Service (MADS)	\$634,563
Estimated Early Payment Discount and County Collection Charges (6%)	\$40,504
Total gross annual debt service	\$675,066

The Series 2016 Bond proceeds, along with available funds on hand, will be used to defease the Series 2004 Bonds, and fund a debt service reserve account and costs of issuance for the Series 2016 Bonds. Refer to the Appendix for a description of the sources and uses of funds for the Series 2016 Bonds.

Series 2016 Bonds and Series 2016 Assessment Allocation

The security for the Series 2016 Bonds will include a pledge of all revenues received by the District from the levy and collection of the Series 2016 Assessments, which represents the annual debt service requirement for the Series 2016 Bonds. As described above, the Series 2016 Assessments will be levied on the same benefited parcels currently encumbered by the Series 2004 Assessments, and will replace the Series 2004 Assessments. The principal and annual Series 2016 Assessments for the Series 2016 Bonds will be allocated based on ERUs as set forth in the following tables:

² The ERU allocation and assignment is consistent with the Original Methodology Report.

All landowners currently subject to the Series 2004 Assessments will experience an increase in bond principal and decrease in annual debt service assessments associated with the Refunding. Please refer to the Appendix compare the Series 2016 Assessments with the current outstanding Series 2004 Assessments to illustrate the relative reduction in assessments enjoyed by the Series 2016 Assessable Units.

Assessment Roll and Collection

An Assessment Roll is attached as Appendix 3. The District will place the Series 2016 Assessments described herein on the County's tax roll for collection.

Conclusion

The Refunding is in the best economic interest of the landowners within the District. It will benefit all Series 2016 Assessable Units. The Series 2016 Assessments are fairly and reasonably apportioned over all Series 2016 Assessable Units, based on and in accordance with the previously adopted Original Methodology Report. The Series 2016 Assessable Units have and will continue to receive benefits in excess of the allocated assessments.

³ Includes Early Payment Discount and County Collection Charges (6%).
